

Filing of French « Document de Référence 2010 »

Bordeaux, 8 September 2011

Europlasma announces that its French “Document de Référence 2010” was filed with the French Financial Markets Authority (Autorité des Marchés Financiers - AMF) under the number R.11-0055 dated 09/06/11.

In line with the Group’s recent corporate governance actions, such as the specialized committees set up, the Group voluntarily published a document, filed with the AMF, in order to provide investors with a clear and exhaustive information.

The French Reference Document can be obtained on demand at Europlasma head office, 471 route de Cantegrit Est, BP23, 40110 Morcenx, France.

The document can also be consulted/downloaded on the Shareholders page, under the “Reports” section, on Europlasma website at www.europlasma.com, and on the AMF website at www.amf-france.org.

About Europlasma

Europlasma is a French Group operating in the clean technologies and renewable energy production industries. Founded in 1992 to apply its proprietary plasma torch technology to hazardous waste destruction, it is now built on the following four business units:

- > **Europlasma** is a world-wide supplier of plasma heating systems and related applications
- > **Inertam** is the global specialist in the destruction and recycling of asbestos and hazardous waste
- > **Europe Environnement** is the European leader in industrial ventilation and gas cleaning systems.
- > **CHO Power** is a producer of electricity from waste and biomass gasification.
