

## Filing of French « Document de Référence 2011 »

Bordeaux, 30 May 2012

Europlasma announces that its French “Document de Référence 2011” was filed with the French Financial Markets Authority (Autorité des Marchés Financiers - AMF) under the number R. 12-021 dated 29/05/2012.

The French Reference Document can be obtained on demand at Europlasma head office, 471 route de Cantegrit Est, BP23, 40110 Morcenx, France.

The document can also be consulted/downloaded on the page Finances/Regulated information/“Documents de Référence” on the company website at [www.europlasma.com](http://www.europlasma.com), and on the AMF website at [www.amf-france.org](http://www.amf-france.org).

### About Europlasma

Europlasma is a French Group operating in the clean technologies and renewable energy production industries. Founded in 1992 to apply its proprietary plasma torch technology to hazardous waste destruction, it is now built on the following four business units:

- > **Europlasma** is a world-wide supplier of plasma heating systems and related applications
- > **Inertam** is the global specialist in the destruction and recycling of asbestos and hazardous waste
- > **Europe Environnement** is the European expert in industrial ventilation and gas cleaning systems.
- > **CHO Power** is a producer of electricity from waste and biomass gasification.
