### About Europlasma

Europlasma is a French Group operating in the clean technologies and renewable energy production industries. Founded in 1992 to apply its proprietary plasma torch technology to hazardous waste destruction, it is now built on the following four business units:

- > **Europlasma** is a world-wide supplier of plasma heating systems and related applications
- > **Inertam** is the global specialist in the destruction and recycling of asbestos and hazardous waste
- > **Europe Environnement** is the European expert in industrial ventilation and gas cleaning systems.
- > **CHO Power** is a producer of electricity from waste and biomass gasification.
